"The person I admire most is my sister Erika. Everything that she ever wanted to accomplish in her life she has made possible for herself without the aid of others. She simply worked hard to achieve her goals. My sister is smart, independent and kind."

Why do you want to represent your school and community as a Rose Festival Court Member?

"Representing my school as a Rose Festival Princess has been my dream since the day Parkrose's 2007 Rose Festival Princess Margaret Drew delivered her inspirational speech about diversity... I would like to present a positive image for Parkrose High School and serve the community because I believe that I can make a difference in someone's life just as Margaret made a difference in mine."
