

**Calling Any and ALL Creative Types –
Artists, Class Clowns, Acrobats, Musicians, jugglers,
Animal Trainers & Wannabe Entertainers:
The Portland Rose Festival wants you to join the wackiest group
of people in Portland!**

After eleven successful years of clowning around in the City of Portland, the Rose Festival Clowns are looking for more people to join the team of the silly, zany and wacky merrymakers.

It's Rose Festival funding its three-week run of the festival starts on Memorial Weekend. This is close enough to home that you can also keep that day job while living out the age-old fantasy of running away to join the circus!

We will be holding auditions for a lucky few to become one of Rose Festival Clowns, sometime during the early month of February 2020. You do not need to have skills to become a clown; all you need is to have a heart as big as all outdoors.

Accepted applicants must participate in a 2-day clown workshop. Once the workshop is completed you will have opportunities to perform with avant-garde clown professional Angel Ocasio (our boss clown and festival mascot, the Clown Prince); receive a makeup kit and costume; and learn a variety of circus and theater skills that will help in developing your very own clown character. Once accepted in the program, you will be a part of the wacky class of 2020 Clowns and will participate in parades and other special Rose Festival events. The clowns will be contributing their special blend of love and laughter to the Rose Festival and the local community. Named one of the Best Educational Programs in the World for festivals and events by International Festivals and Events Association, the Rose Festival Clowns has become one of the favorite Rose Festival features. It's been a hit since its inception!

See the second page APPLICATION for additional information, including mandatory requirements. You must fill out, sign and return, with a non-returnable photo of yourself by end of February.
